6. Jasmine

Female, 26 years old, daughter of Lao Gui; arrogant and domineering, a high-society belle who has long admired Lu Zhaoye and has always dreamed of marrying him. After finally witnessing Lu Zhaoye's true nature, she joins forces with Zhou Yi to launch a counterattack against him.

[Story Outline]

Following the bizarre death of his brother Anchen, Zhou Yi sought justice from the criminal organization Qingzhuhui; upon discovering that the underground casino harbored hidden secrets, he decided to seize an opportunity to disguise his identity and infiltrate the inner circle of the Qingzhuhui.

Zhou Yi attempted to infiltrate the underground casino operated by the Qingzhu Society, but unexpectedly encountered the Junior Head of the faction, Lu Zhaoye, who had just returned from abroad. Lu Zhaoye saw through Zhou Yi's disguise as a woman but did not expose him; Zhou Yi uncovered that Jiang Fu had poisoned Lu Zhaoye, thus saving him. Jiang Fu then ordered his subordinates to throw Zhou Yi into the river to feed the fish, but Lu Zhaoye managed to rescue him and took him back home.

Zhou Yi discovered that Lu Zhaoye possessed a U drive containing secrets regarding An Chen's murder; he decided to stay and investigate further. Unexpectedly, Jiang Fu dispatched assassins to seize the U drive; in a moment of desperation, Zhou Yi stepped between Lu Zhaoye and the blade, sustaining injuries in the process. Grateful for Zhou Yi's rescue, Lu Zhaoye revealed to him the facts recorded on the U drive—revealing that the true perpetrator behind An Chen's death was indeed Jiang Fu.

Lu Zhaoye was deeply moved by Zhou Yi's actions; he personally took meticulous care of him, serving him until Zhou Yi fully recovered. Through their daily companionship, their bond as brothers grew stronger and stronger, leading them to decide to face their common enemy—Jiang Fu together. With seamless coordination, after several rounds of concerted efforts, they finally succeeded in capturing Rong Wang, the mastermind behind Jiang Fu's drug supply network. While Zhou Yi had planned to hand over Rong Wang to the police, he soon learned that Rong Wang had escaped from custody.

Lu Zhaoye, using the pretext that Zhou Yi had injured 茉莉, located the address of 茉莉's underground organ trafficking hospital; using this information, Lu Zhaoye threatened 茉莉 to persuade her to support him as the leader. When Lao Gui discovered that Lu Zhaoye was targeting his daughter 茉莉, he ostensibly pretended to agree to support him, but in reality, secretly tipped off Jiang Fu.

At the Dragon Head Summit, Jiang Fu acted aggressively, believing that with the covert assistance of the Old Ghost, he could easily seize the position of Dragon Head; however, Lu Zhaoye unexpectedly secretly secured the support of the Old Dog Gang for him and subdued Rong Wang. Through a coordinated effort between Lu Zhaoye

and Rong Wang, they captured Jiang Fu, claimed the Dragon Head position, and tricked Zhou Yi into shooting and killing Jiang Fu, thereby sparking suspicion in Zhou Yi toward Lu Zhaoye.

Lu Zhaoye abused Lao Gui and Jasmine, and Zhou Yi witnessed this act; through Jasmine's account, Zhou Yi learned that the one who had actually caused An Chen's death was Lu Zhaoye. Although Zhou Yi was reluctant to believe it, upon observing the various ways Lu Zhaoye treated Jasmine, he ultimately concluded that Lu Zhaoye was a villain. Zhou Yi then teamed up with Jasmine to set a trap to lure Lu Zhaoye into it; Lu Zhaoye fell for the scheme and ultimately met his demise at Zhou Yi's hands.

Script Text

The First Episode

1-1: Landfill – Night – Outside

Characters: Zhou Yi, An Chen; Two Striking Fighters.

△Zhou Yi hid in the shadows; from a distance, a black Santana stopped, and two hitmen dragged An Chen, who was barely breathing, out of the trunk and threw Qi into the garbage dump.

Handman A (smokes a cigarette): "Let's go have some fun; we'll come back tomorrow to finish the job."

Handman B: Boss, should we just throw this corpse here?

Handman A: Don't worry; as for this drug addict who died at a landfill due to overdose—no one would question it. It's no wonder he offended someone; he offended our boss.

△The hitman slowly got into the car, drove away from the garbage dump, and in the darkness, the car's headlights flashed across Zhou Yi's face.

△Zhou Yi's face was filled with pain, and he clenched his fists tightly.

△As soon as the car exited the gate, Zhou Yi sprinted from a corner toward An Chen's body.

Zhou Yi: Anchen, Anchen, wake up!

△Anchen was foaming at the mouth and staring blankly.

Zhou Yi (shaking An Chen violently, in a hysterical state): "An Chen, you cannot die! We promised to be good brothers for life; you cannot die! Wake up, for heaven's sake!"

△Anchen vaguely uttered two words.

Anchen: Cloud, Sky, Cloud.

△Zhou Yi pressed his face against Anchen's lips until Anchen passed away, losing all consciousness; Zhou Yi held Anchen in his arms and wept bitterly, then reached out to close Anchen's eyes.

Zhou Yi (growls): I will certainly avenge you.

Zhou Yi (OS): Before An Chen's death, he kept chanting the words "Yunxiao"; whoever killed him must be right here. I will definitely uncover the killer! I will make sure the murderer pays for his life!

△Zhou Yi held his chips, strolling while casting glances around with his peripheral vision.

△Suddenly, cries of anguish rang out from the inner room, and Gu Xiaonuan struggled desperately to break free through the inner door.

Gu Xiaonuan: Save me, Jiang Fu! Wait here—once my brother returns, I will make sure you lose your life!

△Jiang Fu emerged from the inner chamber, his face full of cunning.

Jiang Fu: "Miss Lu, your father is already dead, and your brother is far away abroad. Now that you've agreed to submit to me and become my wife, I can then naturally ascend to the position of leader of the Qinglong Gang—doesn't this seem perfectly logical?"

Jiang Fu (to the hitman): Lock her up for me!

△Zhou Yi took a swift step forward, helped Lu Xiaodu up from the ground, and guided her onto the chair.

Zhou Yi: Under such glaring public circumstances, they actually attempted to resort to private violence by imprisoning a disabled girl.

Jiang Fu: Give me!

△Two assailants stepped forward and engaged in a struggle with Zhou.

Jiang Fu: Hmph, you insolent brat! You actually dare to cause trouble in my arena! I'll chop him to death!

△Lu Zhaoye waved his hand, and a group of men in black stormed into the basement, swiftly pointing their guns at every single person.

△The man in black picked up Lu Xiaodu and walked toward the door, while Zhou Yichong rushed forward to stop them.

Zhou Yi: Let her go! To bully a weak woman—what kind of man is that!

△Lu Zhaoye took off his sunglasses and cast a persistent glance at Zhou Yi.

Lu Zhaoye: "She is my sister!"

Lu Xiaodu: Brother, he's a good man—he was risking everything to save me just now, which is how he managed to secure the time for you to arrive. If you had arrived even a little later, I'm afraid I would have been raped by Jiang Fu.

Lu Zhaoye (low voice): Take him back with you.

△Zhou Yi could not resist; the man in black lifted him up, while Zhou Yi resisted vigorously.

Zhou Yi: Let me down; let me down.

△The man in black carried Zhou Yi out of the door. Lu Zhaoye looked at Zhou Yi with disdain.

Lu Zhaoye: Hmph—just some brat, daring to take on a lone fight at an underground casino for the sake of a girl he has never even met before. It must be Lay Chi-ju's courage that gave you this audacity; it's truly both naive and ridiculous!

△Lu Zhaoye turned to leave, but glanced back at Jiang Fu with a faint look.

Lu Zhaoye: Your account—I'll come back and settle it with you later!

△Gazing at Lu Zhaoye's back, Jiang Fu maintained a composed appearance, though his palms were sweating.

△In a state of panic, Zhou made a backward leap and hurriedly climbed off Lu Zhaoye.

△The man in black stepped forward and restrained Zhou Yi.

Zhou Yi: Hey, what's going on here! Clearly, I was acting bravely to uphold justice—by doing so, I prevented the bad guys from harming your sister! Why are you still repaying kindness with hatred? You're despicable!

Lu Zhaoye: What are you saying! Pull his tongue out of him!

△The man in black pulled a knife out of his trench coat pocket; Zhou Yi, upon seeing this, shouted toward the distance.

Zhou Yi: "Hey, your sister! Over there—someone wants to hurt her!"

△Lu Zhaoye and the man in black looked toward the distance; Zhou Yi took advantage of the moment to deliver an elbow strike to the man in black, causing his sword to fall; the man in black hurriedly picked up his sword. Zhou Yi then struck the other man in black with another elbow blow, swiftly turned around, and executed a spinning leg kick that landed squarely on the man's chin, knocking him to the ground. Zhou Yi advanced forward and kicked Lu Zhaoye, but Lu Zhaoye grabbed his foot; in desperation, Zhou Yi threw away his shoe and turned to flee.

△Lu Zhaoye was holding his shoes, looking at Zhou Yi, who was fleeing in panic.

Lu Zhaoye: Your skills are quite good.

△Zhou Yibai ripped off his police badge, slammed it onto the table, turned around, and walked out.

Character: Zhou Yi – Hostess

△Zhou Yi was dressed in a casino host's outfit, wearing a wig, black silk high heels, and using his hand to gently tousle the large waves of his wig; he moved past door after door.

Zhou Yi: These high heels are just too difficult to wear; being a woman is truly quite exhausting.

△Zhou Yi also observed that a female companion in the operation room had placed white powder inside a red wine bottle.

Zhou Yi (OV): "Who exactly are you trying to poison again? Jiang Fu has truly done nothing but evil."

△Zhou Yi quietly pushed open the door, knocked the female companion until she lost consciousness, and she fell to the ground. Zhou Yi picked up a red wine bottle and examined its label.

△Jiang Fu produced a knife.

Jiang Fu: Young Master, if you refuse to forgive me, today I ask all the elders here to witness this: I will have these hands chopped off, and from now on, I shall no longer engage in any business dealings with the Qingzhu Gang.

△Old Dog: Jiang Fu, what are you trying to do! Since your teens, you've been hanging around with the Master in the underworld; it was the Master himself who recognized you as his young brother before everyone. Today, if you cut off your own hand, the spirit of the Master in heaven will surely reproach us for failing to treat you fairly!

Old Ghost: "Exactly, Zhaoye. You've just returned from abroad and aren't yet familiar with the Group's business operations; if you try to have Jiang Fu leave the Group now, it would likely fail to win anyone's support. I believe Jiang Fu already realizes his mistake—give him a chance. If he commits another offense, Old Ghost will personally take action and chop him up!"

△Lu Zhaoye's face remained expressionless, but his fingers twitched slightly.

Old Dog: Jiang Fu, why don't you hurry up and offer a toast to the young master!

△Jiang Fu quickly gave a glance toward the door, and the guards pushed Zhou Yi through the doorway.

Jiang Fu: "Quick! Pour some wine for the young master!"

△Jiang Fu held a wine cup aloft and knelt before Lu Zhaoye.

Jiang Fu: Young Master, I would like to apologize to you and Miss Xiao Duo! I kindly ask that you, sir, be so kind as to forgive me this time!

△Zhou Yi held a wine bottle aloft, staring blankly.

Zhou Yi (OS): "So, this medicine was actually administered to this big villain!"

Jiang Fu: Young Master, please grant me this courtesy; in the future, I will certainly do my utmost to assist you!

△Lu Zhaoye took the red wine, brought it close to his lips, and looked at Zhou Yi.

Zhou Yi: This wine has been poisoned! Do not drink it!

△Lu Zhaoye slammed the wine cup onto the ground with all his force.

Lu Zhaoye: Jiang Fu, are you trying to apologize to me and ask for forgiveness! Or do you actually want to kill me!

Jiang Fu: Young Master, I truly want to apologize to you! How could I possibly have put poison in something!

△Jiang Fu looked at Zhou Yi.

Jiang Fu: You! It's you! You've disguised yourself as a woman—and yet you're still trying to poison the young master! Take him away from me; I will interrogate him thoroughly to see who exactly dispatched this person to sow discord between me and the young master!

△Zhou Yi exerted a forceful pull on the tablecloth, snapping all the tea sets and wine cups to the floor, where they shattered and scattered in a chaotic mess. Seizing the opportunity, Zhou Yi ran outside and lunged out to pursue them.

Jiang Fu: Young Master, as you have seen, the medicine in this wine has absolutely nothing to do with me! It is all that person's doing. Rest assured, he cannot escape; I will certainly give him a stern lesson and provide you with a proper explanation!

Lu Zhaoye: "Hmph—these medicinal herbs in this wine—I just can't help but think you're the one who added them!"

△Jiang Fu glared fiercely at Lu Zhaoye.

Jiang Fu: Young Master, I have always been utterly loyal to the Lu family and to our Qingzhu Gang; how could you possibly doubt me!

△Several thugs rushed through the door.

△The man in black beside Lu Zhaoye was about to pull out his gun.

Old Dog: "We're all family; no one is allowed to use knives or guns! Since the person who planted the poison was caught with the evidence, we simply need to kill him! Right, Young Master!"

△The man in black lowered his head and whispered into Lu Zhaoye's ear.

The man in black: "Young Master, Old Dog has already been bought off by Jiang Fu; we outsiders are no match for them. We should leave this place first."

△Lu Zhaoye forcefully pinched the cigarette with his hand and got out of the car.

The man in black: "Young Master! Do you really not consider the consequences!"

Lu Zhaoye: Had it not been for him reminding me that the wine was poisoned, I probably would have already gone with my father at this very moment! Since I'm operating in the martial arts world, I must still uphold my principles! As for this man—I am certain I can save him.

Handman A: You've really had enough of life—you keep coming to our place to cause trouble over and over again; I'll take you straight to the King of Hell!

△Fighter A extends his hand backward, and Fighter B hands him a red wine bottle.

Handman A: This is such a pricey drink—it was originally prepared by the boss himself for Lu Shao; we usually can't afford this kind of stuff. So, today you've really gotten a bargain!

△Handman A pinched Zhou Yi's mouth, poured red wine into his mouth; Zhou Yi coughed violently from the irritation, and the wine sprayed all over him.

Handman A: Come here, help me throw him into the river!

Lu Zhaoye: "Hmph, he's really trying to annoy me—going to any lengths possible." He (his gaze turned toward Zhou Yi on the bed) said, "Have the nanny take care of him for a moment."

A Dong: Yes.

△As Adong left the room, Lu Zhaoye got up; Zhou Yi climbed out of bed, rushed toward Lu Zhaoye, and wrapped his legs around his waist. Lu Zhaoye looked utterly astonished, pushed Zhou Yi forcefully, but was tripped instead, and the two of them fell onto the bed.

Lu Zhaoye: Let go!

△Zhou Yi tightened his grip even more firmly with both hands.

Zhou Yi: I won't let go; you are my little puppy.

△Lu Zhaoye's face flushed crimson. He struggled fiercely, reaching out to forcefully twist Zhou Yi's hand downward at his neck.

Zhou Yi: My head is spinning so badly—why am I feeling this dizzy?

△Lu Zhaoye snapped Zhou Yi's fingers; he knelt on the bed, just as he was about to get up, when Zhou Yi struggled to rise upward—and spat all over Lu Zhaoye.

△Lu Zhaoye was furious.

Lu Zhaoye: You! You actually spat all over me! Me! A Dong!

△A Dong and the nanny entered from outside.

A Dong: Young Master, this is...

Lu Zhaoye: "Throw him out! Immediately! Right now!"

△Lu Zhaoye stormed out of the door.

△A Dong and the nanny exchanged glances.

A Dong: "Let's do it! Since the young master has already said so, let's throw him out to the main gate first. He really did this—our young master has an innate extreme obsession with cleanliness; normally, no one is allowed to get close to him. Yet, he actually spat all over the young master—that he hasn't been ruined already is already his luck."

Lu Xiaodu: Brother, he risked his own life to rescue me from Jiang Fu; why are you throwing him out! I disagree!

Lu Zhaoye: Xiao Duo, you don't have to be surprised—my brother has a strong aversion to dirt.

Lu Xiaoduo: "A Dong, carry my lifesaver to my room; I want to take care of him myself!"

A Dong: "Miss, this is an odd pairing of a single man and a single woman—doesn't that sound inappropriate?"

Lu Zhaoye: "Alright then, brother—I really have no way to deal with you at all. Who told you that you're my own biological sister, whom I've doted on since childhood? Lu Zhaoye (Can't believe it): He! He just—just kissed me!

Lu Zhaoye: "Once you're awake! Watch me—watch me cut off your mouth! Ah Dong! Get him back to his room! Don't let him run around anymore!"

Lu Xiaoduo: Brother, if you don't let him stay, I'm leaving right now!

△Lu Xiaoduo slid out of the wheelchair and turned to leave.

Lu Zhaoye (angry): This man is utterly deceptive—in just two days, Xiao Duo has been completely captivated by him like this! A Dong, throw that man out right now! Immediately!

A Dong: Yes.

△A Dong turned around and walked into the master bedroom, then returned.

A Dong: Young Master, that man has already left.

△Lu Zhaoye walked into the master bedroom and took a look around; the bed had already been tidied up.

Lu Zhaoye: I'm afraid it's because of what happened last night; I'm sorry, but I can't stay here any longer. It would be better if he left on his own initiative! If this rogue manages to cling to Xiao Duo, the consequences could be dire.

Zhou Yi: Where is the USB drive?

△Zhou Yi also spotted a safe in the corner and walked straight toward it.

Zhou Yi: For something so important, could it possibly...?

△Footsteps were heard outside the door; Zhou Yi hurriedly hid behind the cabinet and peered through a narrow gap.

△Lu Zhaoye entered the room, turned on the lights, walked to the safe, entered the password on the safe, and the safe opened. Inside the safe was another butterfly specimen; Lu Zhaoye took out the USB drive, sat back in his chair, and gazed intently at the USB drive.

Zhou Yi (OS): As expected, it's in the safe; it's time to snatch the USB drive from him.

△Zhou Yi pushed the cabinet door open, ready to break through the door.

△A sound of something hitting the floor could be heard outside the window.

Lu Zhaoye: Who is it?

△The power suddenly went out in the room.

△Lu Zhaoye quickly walked over to the window to take a look.

△Scar was hiding by the bedside; as Lu Zhaoye was examining his surroundings, Scar slipped in through the window, holding a piece of iron wire that he wrapped around Lu Zhaoye's neck.

△Lu Zhaoye pulled the iron wire with all his strength and threw it forcefully onto the ground; the two of them lay on the floor, with the scarred man standing behind Lu Zhaoye, gripping the iron wire with both hands; Lu Zhaoye's eyes turned red, and his face was flushed from the stranglehold.

Scar: Hand over the USB drive.

△Lu Zhaoye looked toward the safe.

△Zhou Yi fidgeted with his hands, pressing the password on the safe.

Lu Zhaoye: The USB drive is in his hands! You—go find him!

△The safe opened; Zhou Yi held a USB drive. Before he could react, Scar released the iron wire that was tightening around Lu Zhaoye, making a swift leap to knock Zhou Yi to the ground, while Zhou Yi clutched the USB drive tightly in his hands.

△Zhou Yi lay on the ground; Scar stepped on Zhou Yi's back, his face wearing a sinister smile.

△The scarred man reached out and gripped Zhou Yi's hand with force; Zhou Yi's hand was squeezed painfully, and his face contorted in agony.

Zhou Yi: "Ah!"

△The USB drive fell from Zhou Yi's hand onto the ground.

△Lu Zhaoye rushed over to pick up the USB drive; Scar swiftly pulled a pistol from his pocket, with the muzzle pointing directly at Lu Zhaoye's head.
