## 【 story outline 】

Lin Jingxi was mourning before a tombstone, which prominently bore her name; just as she was about to leave, two police officers appeared and took her away on charges of illegal activity. During her interrogation, Lin Jingxi suddenly realized that the entire process—where she had exchanged faces with An Yu to assume her identity—had in fact been nothing more than a trap.

Lin Jingxi, a young girl at an orphanage, seeks revenge against her elder sister An Yu—who had assumed her identity years ago to enjoy life within the wealthy Shen family—by obtaining facial transplant surgery with the help of her admirer Jiang Yan. Through this procedure, she swaps her face with that of her sister An Yu and assumes her identity, using it to approach An Yu's former "idealized love" —Shen Yuheng, the CEO of the wealthy family—with the aim of reclaiming everything that rightfully belonged to her. However, during this process, she gradually discovers that the truth is not what she had always believed: back at the orphanage, An Yu had deliberately cut Lin Jingxi's face and replaced her as one of the children adopted by the Shen family—all in an effort to help Lin Jingxi.

An Yu's true identity is that of an illegitimate daughter born to Shen Shijie, created specifically to exchange organs for his daughter, Shen Zhenzhen; An Yu managed to escape with relative luck, assuming Lin Jingxi's identity and re-entering the Shen household solely to save her mother—though this attempt ended in failure. Years later, driven by misunderstandings and hatred toward An Yu, Lin Jingxi exchanges faces with her to enter the Shen household; thus, An Yu simply utilizes this new appearance (that of Lin Jingxi) to continue her plan for revenge.

An Yu successfully persuaded Lin Jingxi; through a methodical approach, she ultimately uncovered the truth about the murderer who had killed her mother—the Shen family.

An Yu had originally believed that he could have Lin Jingxi take the blame on his behalf, allowing him to use Lin Jingxi's status to seize control of the Shen family's dark empire; however, just as he was preparing to flee abroad, he was arrested by the police.

### 【 character design 】

#### 1. Lin Jingxi

Female, 28 years old, an orphan—kind-hearted and resilient. While at the orphanage, she was slashed across the face by An Yu, who then replaced her in the position of the heiress to the Shen family; ever since, she has harbored deep resentment toward An Yu and exchanged her face for hers, striving to reclaim everything belonging to her; however, she discovers that what she believed to be true is not actually the truth.

#### 2. Anyu

Female, 28 years old; her outward identity is that of an orphan, but her true identity is that of a bastard child of the Shen family. Driven by a desire for revenge, she assumes Lin Jingxi's identity to enter the Shen household; though she initially intended to rescue her mother, this attempt fails. Years later, she has her face replaced by Lin Jingxi's; thus, she decides to use Lin Jingxi's face to infiltrate the Shen household, executing her revenge plan step by step—gradually driving Lin Jingxi, whose face she had swapped with hers, into the abyss.

#### 3. Jiang Yan

Male, 29 years old, a doctor and admirer of Lin Jingxi, who willingly obeyed Lin Jingxi's orders and was willing to break the law; later, under An Yu's instigation, he helped An Yu seek revenge.

#### 4. Shen Yuheng

Male, 30 years old, the eldest son of the Shen family; he presents himself as deeply romantic and has been tirelessly searching for his first love, An Yu; in reality, however, he is a ruthless man with no standing whatsoever within the Shen family—his feigned affection is merely a guise to find An Yu, so that he can replace her organs and preserve the life of Shen Zhenzhen, the "divine beast" of the Shen family.

## Script Text

### The First Episode

#### 1-1: Cemetery – Outdoor

#### Characters: Lin Jingxi; Two Police Officers; An Yu; Driver

△Lin Jingxi stood before the tombstone wearing sunglasses; the stone bore the inscription "Tomb of Lin Jingxi," and he placed a bouquet of flowers in front of the tombstone.

**Lin Jingxi (took off his sunglasses):** "Sister, I will certainly live my life to the fullest given your status, and I will fulfill all the unfinished tasks you left behind. Thank you so much for everything you've done for me."

△Lin Jingxi wiped away his tears and bowed before the tombstone.

△Suddenly, two police officers appeared; Officer A presented his identification.

**Police Officer A:** Ms.Anyu, hello; we currently suspect that you are involved in several cross-border organ trafficking cases, and we would like to speak with you.

**Return to assist in the investigation.**

△Lin Jingxi was stunned.

**Lin Jingxi: Me?**

△Before Lin Jingxi could speak to defend himself, Police Officer B seized him with handcuffs, locked onto his bewildered face, and escorted him away.

△The back view of Lin Jingxi being taken away by police as he leaves the cemetery.

△Lin Jingxi was escorted onto a police car; as the vehicle slowly drove away, on the opposite side of the road, the windows of a black sedan had been lowered halfway.

△A woman wearing sunglasses (An Yu) has half her face visible through the car window; An Yu's slender fingers hold a cigarette, she takes a draw, and slowly exhales a puff of smoke.

**Driver: "Miss, we've already booked your flight ticket for the next flight to Malaysia."**

**Anyu: While the police haven't yet cancelled Lin Jingxi's ID card, I'll play the role of Lin Jingxi once more and take me to the airport.**

△The windows of the black sedan rolled up, and it drove off.

## **1-2. Interrogation Room – Night**

**Characters: Lin Jingxi; two police officers**

△Lin Jingxi was sitting in a chair, while two police officers sat on the other side of the table.

**Police Officer A: We hope you can cooperate with our work; if you confess your guilt, we will show leniency, and we may also plead on your behalf before the judge during the trial stage.**

**Lin Jingxi: You've picked the wrong person; I am not Anyu.**

△Police Officer A produced a passport, glanced at it, then looked again at Lin Jingxi.

**Police Officer A: These are your identification documents, aren't they? What more do you have to argue about? Do you really want to tell me that you have a twin sister who looks exactly like you? I advise you to confess as soon as possible!**

**Lin Jingxi: If I say that I've swapped faces with An Yu, my true identity is actually Lin Jingxi; you probably won't believe it anytime soon—hehe.**

**Police Officer A: Face swap?**

**Lin Jingxi: "Yes, my name is Lin Jingxi, but my current face is An Yu's face; none of this was forced by anyone—(snarling) I took the initiative to swap faces with An Yu."**

**Lin Jingxi (OS): Sister, sister—I never expected that I would ultimately follow your path. You said your motto is "never lie," yet you've never been truly honest; this time, I finally understand the meaning of those words.**

△Lin Jingxi sat by her hospital bed, while Jiang extended his hand to peel away the layers of gauze covering her face.

△Lin Jingxi picked up the mirror on the table and looked at his face in it; then, a cold smile appeared on his face.

**Lin Jingxi: This sister's face is truly beautiful—even the position of her tear mole is exactly the same. Although we are twins, our appearances are worlds apart; if I were a small flower by a mountain spring, then she would be an abyss so dark that it has no echo at all.**

**Jiang Yan: Are you sure you want to go after Shen Yuheng—who has always viewed**

An Yu as his 'white moonlight'?

Lin Jingxi (with a cold sneer): "Of course. From now on, I am Anyu; I want to lead an existence that others would envy."

live .

△Lin Jingxi stood behind the screen, making rustling noises as he changed clothes; then, wearing a vibrant red outfit and high heels, he emerged from behind the screen.

△Lin Jingxi extended her slender, delicate hand, gripped Jiang Yan's neck, drew him closer, and their noses came into immediate contact.

**Lin Jingxi:** Thank you, Jiang Yan; thank you for helping me undergo a face-swapping surgery with my sister. When the day comes that I succeed, I will certainly thank you very much.

△Jiang Yan and Lin Jingxi met each other's gaze; Jiang Yan's eyes were filled with deep affection, while Lin Jingxi's gaze was like that of a puppy—with his lips slightly parted—when Jiang Yan immediately closed his eyes, waiting for Lin Jingxi to kiss him; however, Lin Jingxi pushed back with his hand, pushing Jiang Yan onto the hospital bed.

**Lin Jingxi:** I am no longer Lin Jingxi; therefore, from this moment on, you and I can only be strangers.

△Lin Jingxi strolled with elegant strides wearing high heels, turned around, and walked away; Jiang Yan sat on the bed, watching her departing figure, her eyes filled with reluctance and deep affection.

**Jiang Yan:** Jing Xi, as long as I can help you, I'll do anything—even if it means witnessing you sleep in the same bed with another man.

## **2-2: Dark Room – Nighttime**

△A pair of red high heels stepped over the hemp rope on the ground, leading to the corner of Jiang Yan's white lab coat; a pair of exquisite hands passed behind Jiang Yan, went around his shoulder, and encircled his neck.

**VO (Anyu):** I know you won't kill me; you're a good person.

△Jiang Yan reversed his grip around An Yu's neck, pushing her onto the chair; in the dimly lit room, Jiang Yan's gaze was cold and stern as he looked at An Yu.

**Jiang Yan:** Once I've figured out the origins between you two, I will definitely take action!

**Anyu:** I've already told you the whole story—why don't you believe it?

**Jiang Yan:** This is because what you are saying differs from what Jing Xi said.

**Anyu:** "Oh? Then why don't you tell me what Lin Jingxi said to you?"

**Jiang Yan:** You two met at an orphanage; back then, you were about the same age, yet you protected her everywhere, and she regarded you as the only source of light in her dark life.

△He gave a sharp shout, covered his buttocks with his hand, then turned around and limped toward Lin Jingxi.

**Thug: You little scoundrel—how dare you stab me with a knife!**

△Lin Jingxi was in a panic trying to run away, but tripped on some debris on the ground and fell to the ground, his small hand reaching out forward.

**Shen Yuheng:** Zhenzhen is perfectly fine lying right here—what kind of phone call did you get that said Zhenzhen is in trouble!

**Secretary Xiao Li:** Boss, I'm also worried about Miss Zhenzhen; there was a phone call from someone claiming to be a nurse here, telling me to hurry over right away.

**Doctor:** Mr.Boss, there is one matter that I should address with you as soon as possible. Miss Zhenzhen's condition has been quite poor lately; she must undergo surgery immediately—otherwise, things will not turn out well.

**Shen Yuheng:** "Otherwise, what else! Zhenzhen cannot afford the slightest mistake! You! Go now and bring Anyu here; we'll perform the surgery on Zhenzhen today!"
